# Strong Yet Gentle

**New Isover G3 Touch mineral wool insulation:  
A high performance, gentle mineral wool.**

We're giving installers 3 great reasons to use G3 Touch:  
Great performance that's Gentle to install and Good for the environment.

## Great Performance

High performance mineral wool with excellent recovery & strength

## Gentle To Use

Creates a pleasant working environment - gentle insulation that's easy to install & transport

## Good For Our Environment

Made from 86% recycled glass - minimises on site waste, maximises transport efficiency & reduces heating costs

To find out more about the new Isover G3 Touch mineral wool range visit us on [www.isover-G3Touch.ie](http://www.isover-G3Touch.ie)

## Isover G3 Touch products range

### ISOVER Spacesaver Roll
