

High Performance Boards

Knauf high performance boards offer the convenience of plasterboard but with significantly higher performance in key areas. The Knauf high performance board range includes solutions for elements of fire, moisture, vapour, sound, impact resistance, X-ray resistance and even temperature regulation.

Knauf Performance Plus

Knauf Performance Plus, our highest specification plasterboard, has a high-density core with added performance-enhancing ingredients. The result is a board with extremely high levels of sound, moisture, fire and impact resistance, ideally suited to schools, hospitals and other large commercial projects.

Compliance: EN 520, Types A, D, F, H1, I and R.

Tapered Edge

Dimensions (mm)			Material No.	Pallet Details		
Thickness	Width	Length		Boards	m ²	Tonnes (Approx.)
12.5	1200	2400	400177	60	172.8	1.98
		3000	400185	48	172.8	1.98
15.0	1200	2400	400189	48	138.2	1.77
		3000	400195	36	129.6	1.66
